

PROGRAMME BROCHURE

China Quest

Structured International Learning Programme

A structured educational journey through China for schools seeking cultural depth, real-world learning, and meaningful student outcomes.

Ages 14–18

Transition Year Compatible

Modular City Design

From €2,990

Designed for Transition Year, summer programmes,
and school-designed international modules

A Structured Learning Journey, Not Just a Study Trip

China Quest helps students explore China through culture, technology, and real-world experience — with reflection, discussion, and meaningful outcomes built in.

Evidence-Based Learning

Students investigate real places through guided observation, discussion, and reflection. Outputs support TY portfolio work.

Critical Thinking Research
Reflection

Cultural Immersion

Students encounter China through neighbourhoods, daily life, and meaningful interaction — beyond the tourist gaze.

Cultural Intelligence Empathy
Awareness

Next-Gen Innovation

First-hand exposure to robotics, AI, mobility, and innovation ecosystems connecting interests with future pathways.

STEM Career Exploration
Sustainability

HOW IT WORKS

How the Learning Journey Works

Each day follows a structured cycle — so students learn through places, not just visit them.

Daily Learning Cycle — Repeated daily, deepened over time

1

Exploration

Site visits, encounters, observation

2

Reflection

Journaling and discussion

3

Challenge

Inquiry, documentation, creative response

4

Circle

Shared debrief and exchange

Learning Pillars

Technology & Innovation

AI, robotics, digital change

Arts & Culture

Craft, calligraphy, creativity

History & Heritage

Landmarks, memory, identity

Social & Urban

Neighbourhoods, markets, youth

Designed with TY and school-led learning in mind. Structured tasks support reflection journals, creative outputs, and portfolio-style evidence. Schools can nominate a teacher to accompany the group.

Four Core Modules Across Modern China

Each city module offers a distinct lens on China. Core modules are typically 5 days and can be combined into longer programmes.

Beijing

Roots, Identity, and Living Heritage

Great Wall, imperial landmarks, and the continuity of Chinese civilisation. Hutong observation, calligraphy, and everyday cultural practice.

A module focused on how history, memory, and identity shape modern China

Shanghai

Global Interface, Exchange, and Modern Chinese Identity

The Bund, Pudong, and urban transformation. School exchange, peer dialogue, and neighbourhood discovery.

A module focused on global connection, cultural fusion, and city life in contemporary China

Shenzhen

Future Ecosystems, Innovation, and STEM Exploration

Technology ecosystems, robotics, and hands-on innovation. Smart mobility, urban change, and future city systems.

A module focused on how design, making, and innovation shape the world students are growing into

Hong Kong

Capstone Perspective, Sustainability, and Global Outlook

Harbour, density, and East-West urban histories. Field-based sustainability learning and community observation.

A module focused on comparison, reflection, and bringing the wider journey into sharper perspective

Additional city modules (Hangzhou, Chengdu, Xi'an) available on request.

"读万卷书，不如行万里路。"

Reading ten thousand books is not as good as travelling ten thousand miles.

STUDENT OUTCOMES

What Students Gain

Students return with more than memories — they gain confidence, perspective, and evidence of meaningful learning.

Tangible Learning Evidence

Journals, creative outputs, and a certificate of completion. TY portfolio-ready.

Global Fluency

Adaptability, communication, and critical thinking through cross-cultural engagement.

Career & Future Pathways

First-hand insight into innovation, culture, and university settings.

Reflection Journals · Creative Outputs · TY Portfolio Evidence · Certificate of Completion

SAFETY & SCHOOL SUPPORT

Supporting Student Wellbeing at Every Stage

Clear Supervision

Experienced bilingual leaders, 1:8 ratio, structured daily coordination.

Risk-Aware Planning

Route planning, activity review, emergency procedures, communication protocols.

School-Facing Support

Teacher accompaniment welcomed. Pre-trip briefing and ongoing updates.

Student Wellbeing

Accommodation, meals, transport, insurance, and medical access included.

FREQUENTLY ASKED QUESTIONS

What ages is China Quest suitable for?

Designed for students aged 14–18, with content and supervision tailored to this age group.

How long are the programmes?

Core city modules are typically 5 days and can be combined into longer programmes.

Is China safe for student groups?

Yes. Programmes include bilingual leaders, 1:8 ratio, emergency procedures, and international insurance.

Can schools customise the itinerary?

Yes. Schools select modules, adjust length, and discuss themes. Each programme is co-designed.

Is the programme TY compatible?

Yes. Includes reflection tasks, portfolio outputs, and opportunities for collaboration and critical thinking.

Do students need to speak Chinese?

No. All leaders are bilingual and activities are delivered in English.

What is included in the fee?

Accommodation, meals, domestic transport, entry fees, activities, insurance, learning materials, and 24/7 support. Flights, visa fees, and personal spending not included.
